About Seacraft IT

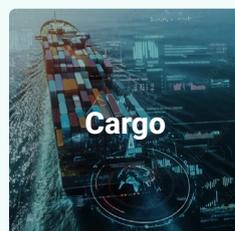

Seacraft IT is an independent digital platform that enables maritime organizations to **discover**, **evaluate**, and **compare** operational software solutions.

Vendors gain structured visibility to IT decision-makers.

Operators access trusted insights that support choosing the right technologies.

Why Seacraft IT

- ✓ Trusted environment for maritime IT decisions
- ✓ Expert insights aligned with real procurement needs
- ✓ Clear visibility across relevant technology categories
- ✓ Proven based on 15 years of Aircraft IT success

Who Seacraft IT is For

Technology Vendors

- 🔗 Present software solutions directly to IT buyers
- 🌐 Reach cruise lines, cargo operators, and offshore teams
- 🔍 Generate qualified leads through targeted visibility
- 📺 Build credibility through expert content and live demos

Maritime Operators

- 🏠 Compare multiple technologies side-by-side
- 📄 Access real-world case studies and technical insights
- 📊 Support procurement decisions with trusted information
- 📍 Stay aligned with digital and regulatory developments

Value Delivered

Vendor Benefits

- ✓ Your solutions appear exactly where maritime IT professionals look
- ✓ A neutral, topic-structured environment guides buyers to relevant tools
- ✓ High-value digital tools (case studies, webinars) to drive sales leads and build trust

Operator Benefits

- ✓ Faster discovery of suitable technologies
- ✓ Credible insights that reduce evaluation time
- ✓ Expert content supporting risk-free decision-making

HOW SEACRAFT IT WORKS

A structured system for visibility, engagement, and continuous lead generation.

The Platform

Use Seacraft IT's unique annual Digital Marketing Packages to promote your solutions and generate genuine sales leads worldwide.

A combination of category-aligned listings, expert editorial content, and live events ensures technologies are discovered at the exact moment decision-makers search for solutions.

This creates consistent visibility and higher-quality engagement throughout the year.

Digital Marketing Tools Designed to Drive Results

Formats engineered to increase reach, relevance, and conversion

What Clients Say

The Aircraft IT Case Study turned out great.
In fact, we've been contacted by multiple airlines after they read it –
so it's led to new leads

ADIN HERZOG, Director of Sales, APiJET (Nov 2025)
